Willow Way

Play and Creative Arts Therapy

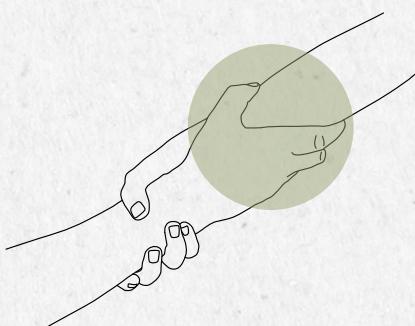

When words fall short, play and creativity tell the story!

Our services

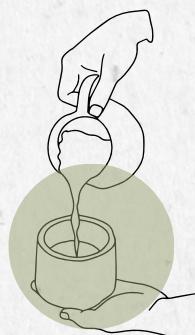

Individual Therapy

One to one play therapy sessions in your setting for children experiencing challenges such as anxiety, trauma, loss, or family transitions.

Group Therapy

Group therapy focused on a common challenge for a small group of children, such as young carers, peer relationships or self esteem.

Parent Workshops

Workshops for parents or staff tailored to your school's specific needs with specialist understanding of trauma, SEND, trauma and military families.

We look forward to hearing from you.
